A beautiful home in the serenity of nature - complete with everything you need! This amazing open floorplan boasts beautifully refinished hardwoods, a 2-story foyer and living room separated by an elegant catwalk. The large master suite on main level features a walk-in closet, large tub, separate shower, double vanity, and tasteful brass fixtures. Also on the main level is a formal dining room and large laundry room. The kitchen has high quality appliances and a butler's pantry. Off of the kitchen is an adjacent eating area and living room which offers built-in cabinets, a gas log fireplace, and access to the screened-in porch. There is also an open deck overlooking private landscaped 1+ acre property, garden areas, and water features. The second story has two bedrooms and two full bathrooms. You can't beat all the features this home offers: tiled custom baths, recessed lighting, tray ceiling, a huge bonus room, and walk-in storage with additional possibilities. Plus walking trails and Falls Lake are nearby! Don't miss out on this incredible opportunity! For more info visit:
